

SOLUTIONS THAT WORK FOR YOUR BUSINESS

ControlCase is a managed compliance and IT security company headquartered in the United States, with locations in North America, Asia/Pacific and the Middle East. We enable companies and government agencies by providing managed compliance solutions that are consistent and repeatable for unrivaled value over the life of a regulation. ControlCase can assist you in achieving compliance on time and within budget.

PROFESSIONAL SERVICES

Apply deep industry knowledge to solve complex compliance & security challenges

ControlCase professionals have years of practical hands-on audit, compliance and risk management experience. All of our employees have worked for big four companies and/or Fortune 500 firms. We leverage our experience serving various clients to provide comprehensive solutions to meet the objectives set forth in PCI, SOX, FISMA, and GLBA. Our approach has been proven repeatedly at large national and international enterprises.

MANAGED COMPLIANCE SERVICES

Making compliance manageable for your organization

ControlCase, the global leader in managed compliance, has successfully assisted hundreds of clients worldwide in becoming compliant with various industry standards and increasing their security posture. From PCI to SOX to GLBA, ControlCase has assisted clients in meeting their compliance objectives in a timely and cost effective manner.
